

Soaring to Success

Whaia ou huarahi ki te mana

14 February 2018

Kiwisport is a Government funding initiative to support students' participation in organised sport.

In 2017, our school received a total Kiwisport funding of \$2282.10.

This funding was used for our swimming programme (including travel) at the Sanson Community Pool.

Children at our school took part in a wide number of sporting activities both at our school and at interschool events throughout the year.
