

Soaring to Success

Whaia ou huarahi ki te mana

14 February 2020

Kiwisport is a government funding initiative to support students' participation in organised sport.

In 2019, our school received a total Kiwisport funding of \$2714.78.

This funding was used for our swimming programme (including travel) at the Sanson Community Pool.

Children at our school also took part in a wide number of sporting activities both at our school and at interschool events throughout the year.
